MARCH 1989

LGASD MONTHLY MEETING REPORT MARCH 13, 1989

The March Meeting of the LGASD was held at the home of Mr. N. Brown.

The ratification of the proposed Constitution and By-laws for the governing of this organization was tabled to the April 10 meeting. By that time, all Committee members will have received the revised copy of the document. It is anticipated that at this meeting, adoption of the Constitution and By-laws will be achieved, paving the way for a more formal organization.

The highlight of the evening's meeting was an excellent computer demonstration, arranged by George Shaver, SYSOP of Adonis BBS, and N. Brown. All members of the Committee, present for this meeting were impressed with the fantastic potential this medium presents, to the LGASD in developing methods to get its material (archives) to those who may be interested, not only in San Diego, but nationwide.

The LGASD Committee, founded and chaired by Mr. Jess Jessop has been in existence for fifteen months. A tremendous amount of work has already been accomplished.

The Treasurer is Mr. Dale Fleishman, and Mr. Chris Spilsbury serves as Committee Secretary.

EXCITING? YOU BET!

The LGASD will soon have a dual set of slide projectors, with the ability to fade in and out, the slides of a given program. It is also planned to audio enhance some of the programs to be developed.

When work is completed, LGASD will have the ability to present informative, professional programs to any interested groups.

The generosity of our coordinator has made this exciting venture possible. Our sincere thanks to Jess.

Mr. H. Leigh coordinates the audio-visual work of the Lesbian and Gay Archives, San Diego. Our thanks also to Mr. Leigh
