

RAMS HILL COUNTRY CLUB

February 2005

Dear Members and Property Owners,

February Club Calendar

The enclosed Club's Calendar for February has many exciting golf activities and social events.

Every Friday this season the Club will host a Member's Appreciation Party. In February the party will commence at 4:00 p.m. and will continue until 6:00 p.m. We have enjoyed meeting with many of you and look forward to many more lively and interesting conversations. In addition to the Friday night Member Appreciation Parties, the Club will be hosting Vino and Bistro Nights on Saturdays at the Club. The Vino and Bistro Nights have been sold out and we thank you for your participation.

Beginning February 23rd, the Club will offer a Themed Dinner on Wednesday nights. The first Themed Dinner Night will be Taste of Italy. Reservations are required by Saturday noon preceding the event. Please call Teresa Torres at 767-3642 for reservations.

The Desert Bloomers begins on January 31st and the Los Borregos begins the evening of February 2nd. If you are a member of the Club and are interested in participating, please call Gary Lynk at the Golf Shop for information and registration forms.

Don't miss the always popular Valentine Massacre golf and dinner festivities!

Golf Course Update

Both the Tom Fazio and Jack Nicklaus design teams have visited the property in January and are now competing to be selected for the renovation of the fallow nine and back nine of the existing golf course.

We are also interviewing for an assistant golf course superintendent and the Club hopes to have one on board in the next sixty days. Nine new golf course maintenance staff have been hired and the new computer controls for the irrigation system has been installed and are currently being calibrated.

Steve Gannon has started as our housekeeping engineer and is beginning the process of ensuring all of the systems and equipment are working properly.

Fairways and Greens!
