

RAMS HILL COUNTRY CLUB

May 2005

Dear Members and Property Owners,

Successful Season

Thank you all for your active participation and enthusiasm. Your Club Team really enjoyed becoming acquainted and serving your needs. Your gracious warmth and infectious enthusiasm created special season for all.

At the beginning of May, Ranger Golf began the renovation which will lead to a new Tom Fazio course for the New Year.

Summer Season

This summer the front nine will remain open for play. The greens for the front nine are also being renovated this summer. To date greens 1, 9, 6 and 7 have been resodded with new bent grass. Two more holes will be resodded soon and the balance throughout the summer. Temporary greens will be used during the three weeks that a green is closed for renovation. Our goal will be to have only two temporary greens at anyone time.

This summer the Clubhouse is open as follows at least until overseeding:

Golf Shop	6:00 A.M. – 2 P.M. Daily
Grill Room	Lunch Monday – Saturday 11:00 A.M. -2:30 P.M. Tavern on the Green – Saturday Night 5:30 – 7:30 P.M. Sunday - Closed

Chef Kevin

During this summer Chef Kevin is available to cook dinner at your home for that intimate romantic evening for two or for that special celebration party. This service is available complimentary, your only cost is the ingredients, transportation and lodging for Chef Kevin and his sous chef daughter.

New Course Routing Plan

Enclosed is Tom Fazio's most recent routing plan. Assisting Mr. Fazio is the landscape firm, Pinnacle Design Company, which collaborated with Tom at the Quarry in La Quinta. Along with the routing plan, enclosed are plant, groundcover and water feature boards which provide a suggestion of those areas of the course.

Survey

Please be on the look out for a survey on how the club can better serve you next season. Each spouse should separately fill out a survey. The Club is developing next years calendar and your answers will help to devise an exciting program for all members of the family.
